MEDICAL MUTUAL PILLAR AWARD FOR COMMUNITY SERVICE

- **PUBLICIZE** the importance of community service
- **SHARE** creative ideas
- **HONOR** companies and individuals
- **BUILD** a sustaining fund

PAST HONOREES:

There are few things more important than giving back to the community. That's why, in 1998, Smart Business and Medical Mutual developed The Pillar Award for Community Service to honor businesses and individuals dedicated to making their region a better place to live. The Pillar program demonstrates the close tie between the for-profit and nonprofit worlds by showcasing best practices.

The awards program seeks to:

- Publicize the importance of community service issues, such as philanthropy and volunteerism.
- Share creative ideas about how companies have a positive impact in their communities.
- Honor companies and individuals who go beyond the minimum expectation of community service.
- Build a sustaining fund which provides grants for local nonprofit organizations in their mission to serve the people of their region (The Pillar Fund).
