

SMART BUSINESSSM EVOLUTION OF MANUFACTURING

THE EVOLUTION OF MANUFACTURING CONFERENCE WAS DEVELOPED BY SMART BUSINESS TO RECOGNIZE MANUFACTURERS THAT DEMONSTRATE EXCELLENCE IN PROCESS IMPROVEMENT INITIATIVES.

PAST PANELISTS:

- Dolf Kahle
CEO
Visual Marking Systems
- Nancy Gipson
Jackson Plant Manager
Pringle
- Mark Sandridge
CEO
Sandridge Food Corporation
- Randy Korach
CEO
Tremco Incorporated
- George Blankenship
president North America
Lincoln Electric Holdings, Inc.
- Baiju Shah
President & CEO
BioEnterprise Inc.

The awards honor organizations for their ability to innovate, create and drive these processes resulting in a positive impact on their bottom line. In addition, the conference portion of the event provides an excellent networking opportunity for manufacturers and local service providers.

This invitation-only event is highly interactive and unique in that the winners are asked to demonstrate their application to the attendees, showcasing the benefits of their applications in an open-house forum. The program also features a keynote address or panel discussion of top local business leaders.

PAST HONOREES:

- Majestic Steel USA
- PolyOne Corporation
- Empire Die Casting Co., Inc.
- Vitamix Corporation
- Delta Systems Inc.
- Magnus International Group
- The Kirby Company
- Seaman Corporation
